

# Simply Said With Karen Pop Up Card Insert Tutorial

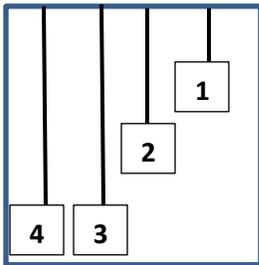

Cut card stock for the inside at 8-1/4" x 5-1/4"  
Score at 4-1/8" and fold on score line

Place fold against the top of the trimmer

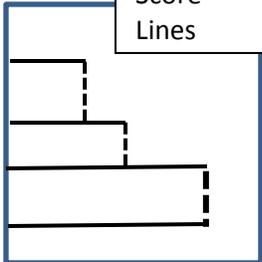

Measurements from the top  
Use cutter to make slits in the card

Fold

**Cut #1** – Edge of card at 1-1/8" mark on cutter, press the blade down and cut till the pointer in the center of the blade reaches the 1" mark.  
Do not remove paper from cutter, continue to slide along  
**Cut #2** – Move the card to the 1-7/8" mark and cut to the 1-1/2" mark on the blade guide.  
**Cut #3** – Move the card to the 2-7/8" mark and cut to the 2" mark on the blade guide.  
**Cut #4** – Move the card to the 3-7/8" mark and cut to the 2" mark on the blade guide.

Score Lines

Using your scoring tool:  
Score from the end of the cut line down to the next cut lin

Open out the card insert  
Crease on the score lines.  
Train your folds so the cake folds outward and the center score line fold inward. See Example

Cake Sample
